GUIDELINES FOR CUSTOMIZING TRAINING COURSES AND COPYRIGHT INFORMATION

The Customer May:

Install and use any software product on **two** computers at a time. For example, when you purchase a training program or other software product from Focused Management, Inc., you are entitled to download the files on one computer and use it for developing your documents and as a security copy. You may download

a second copy of the training program, or a copy that you have modified, onto a portable or laptop computer to be used in presenting the training program.

You may print copies of the program handouts and sell copies as part of your instructional services. You may modify and change the handout materials by adding or deleting text and drawings. You may sell these materials in **paper** form.

You may modify and change any of the instructor's notes to suit your needs. You may reproduce your instructor's notes in any form you wish.

If you are an organization with multiple locations then you may distribute printed materials to any and all locations.

Multiple location licenses for the electronic media are available under a separate agreement.

Resale:

You may buy additional copies of the Focused Management, Inc. materials on computer disks and then resell these same disks. Focused Management Inc. will sell to you computer disks containing the materials at reduced prices from the prices listed on the Focused Management website. Additional discounts for multiple purchases may apply. Focused Management reserves the right to withdraw this offer at any time and for any reason.

The Customer May Not:

You may not reproduce the Focused Management programs in any electronic form whatsoever with the exception of the personal copies on any two computers.

You may not produce copies of the program in the form of discs, electronic media, distribute them over the Internet, broadcast, or transfer them between computers.

If you are an organization with multiple locations we will sell you additional copies of the training materials at substantial discounts from the original price paid. Additional discounts may be applicable on multiple purchases.

Intellectual Property Ownership:

The software product and all training programs, documents, software, information, program materials, templates, PowerPoint presentations, written handout, or other products are proprietary products owned by Focused Management, Inc. The software product is the company's copyrighted and trademarked intellectual property. This includes all art, templates, and the graphic known as the Focused Management Model.
